SUMMARY

Curious front end developer, interested in writing new codes. Have the ability to create algorithms effectively and communicate appropriately with team members. Quick to grasp new technologies and concepts to develop innovative and creative solutions to problems. Always eager to learn various technologies, tools and libraries. Especially interested in Mobile/Front end/Web Development, **ReactJs**, **TypeScript** and **JavaScript**. I am excited to learn new things and improve myself. You can review my projects on my GitHub account.
